Crowfoot's 9th Annual Lionel Train Bash Extravaganza

This year Crowfoot will host it's much beloved 9th Lionel Train Bash on Sunday, December 11th, 2011. The Train Bash was Sam Schafer's most favorite event, he sincerely enjoyed seeing the kids and their parents, the huge working train display and the warmest of feelings the Christmas Season brought to all of us.

Crowfoot will once again have a beautiful train layout, with several trains and animation for all to enjoy. Great prizes, food catered by the Export Deli, and of course a visit from jolly Old Santa Claus with a sack full of toys for all of the good little girls and boys.

Trains are enjoyed by all ages of kids from one to ninety years young, we all can remember the wonderful memories we had of our parents decorating the Christmas tree, the Christmas village and our Lionel trains beneath the tree. These trains provided hours and hours of enjoyment, and I am sure a lot of us still have that old train in the attic. It is time to carry on tradition with your children and or your grandchildren, come to Crowfoots Train Bash; you will have a great time!

Tickets are available at the office every Wednesday evening from 8:00 -10:30, at the Trap building, Tues., Fri., and Sunday from 7:00 till 11:00. There may be tickets available at the door, the day of the event and also at Sharp Cars in Delmont on Rte 22, Woodlands Edge sporting goods in Salem Plaza, Delmont, and Brady's Train Outlet in Greensburg. I would advise you get your tickets early as possible so you are assured to get your ticket.

Tickets are still only \$25.00 each and you may bring your spouse for an additional ten dollars plus two children 10 years old and younger, one child per adult All for only \$35.00. That means two adults and two kids each get theirs meal and a ticket with two numbers and 46 chances to win a train set. That is a great value for any ones money!

Once again I ask our members to become part of our traditional Lionel Train Bash; you will have a fantastic time while also supporting the Club. I know Sam will be looking down from above, wearing his train engineer hat, smiling and happy our tradition lives on.

All Aboard! Tickets please! To the best Crow Foot Lionel Train Bash Yet!

Final Thought

Thanksgiving is upon us, Christmas is just around the corner, and then New Years Eve. It is a time for family and friends to spend time together and be thankful for the blessings we have. Every time I come to Crowfoot, I take time to reflect on how lucky we are to have such a beautiful place to enjoy and to see old friends and make new ones.

I can still hear Sam Schafer telling new perspective members how wonderful our club is and what it had to offer anyone who wished to join our club. Sam believed we had the best sportsmen's club in the area and he took a lot of pride in the accomplishments that were made over the years, supporting the club until the day he passed away.

The members who serve as Board of Directors and its officers also take a lot of pride in the club. They work hard and many long hours to make it happen for all of us. Last thanks be to all of the members who support Crowfoot, we appreciate your commitment.

Happy Thanksgiving ! Merry Christmas and the best in the New Year to one and all!

Happy Holidays Everyone!

Good Shooting!!!!

See You at the Club!!!!
