Jane , Kathy and their kids had a wonderful plan to occupy the youngsters time who attended the Train Bash with an arts and crafts table. Their careful planning of the children's activities turned out to be a real success with all of the kids who participated. All of the kids had a really a great time. Final Thought

Hey everyone, I hope to see you all at Crowfoot's Gun Bash, it is the event that a lot of us wait for each year. Winter's over, snow gone, we hope and it is time to rid ourselves of those winter blues and celebrate the new season. The best way to do that of course is to attend our Gun Bash, eat good food, win some great prizes and have fun spending time with family and friends.

There is still time to purchase your tickets, but not for long, so stop in at the club's office or at the Trap range, before you miss a chance at a great time!

Good Shooting!!!!

See you at the Club!!!
